### **Veteran exclusive housing to open in Niagara County**

**Lockport, NY** – On March 3, 2014, S.E.R.V. Niagara shall take ownership of two City of Lockport properties for veteran exclusive housing. One will provide temporary housing for male veterans and the second, permanent housing for homeless veterans and their families.

In keeping with its mission to “Support, Empower, Respect Veterans and their families”, these structures will be renovated to provide comfortable, safe housing with access to services that shall become the springboard to self-sufficiency.

WNY communities are being asked to help make it happen, by taking part in the Got a Buck Campaign. All it takes is a dollar per person...so little to ask for those, who've given so much for all of us. A dollar for each person in your household will help us renovate and furnish one house that will become homes for two families and a second one to provide a temporary home for 7 individual veterans working toward self-sufficiency. The goal is to have these veterans in their new homes by mid to late April!

In addition to dollars, the Foundation is seeking skilled community volunteers, for both donations of time and materials, as well as hands-on assistance. Our vets need Y-O-U !

Your donations are tax deductible. Visit our website for more details. Donate at [www.SERVniagara.org](http://www.SERVniagara.org) or at any First Niagara Bank to the 'S.E.R.V. Niagara' account. Checks are payable to S.E.R.V. Niagara at 80 Park Avenue, Lockport, NY 14094. Donations in memory of a loved one will receive an honorable mention on our website. Got a buck for a vet? Join the campaign.
